BABY BOTTLE FUNDRAISER UPDATE

Thank you to our amazing church partners for joining us this year for our baby bottle fundraiser. As of today, we've raised over

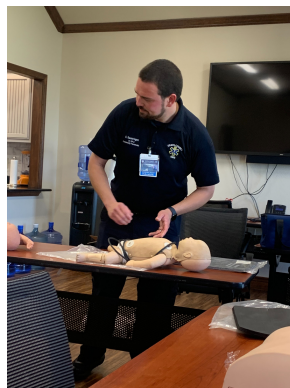

\$55,000 !!!!

NEW FRIDAY HOURS

Thanks to a grant from Focus on the Family, we will now be open on Fridays from 9am to 1pm with an RN on staff. We are so excited to offer these extended hours as our client visits continue to increase monthly. We are looking for a volunteer receptionist for our Friday hours. If you're interested, please give us a call at 833-773-3001.

CPR Training

Our team at Choices recently completed our CPR certification renewal training. Thank you to Erath County Community Paramedic, Colby Swearingen, for teaching our class. We sharpened our CPR skills and had lots of fun too!

ABORTION GRIEF RECOVERY GROUP

Nearly one in four women will have an abortion before the age of 45. Even with the overturn of Roe V. Wade in 2022, women are seeking abortion services beyond our state lines or through mail-order chemical abortions. These women often experience emotional difficulties related to the abortion and have little support from friends and family. Our Abortion Grief Recovery program provides hope and healing by providing compassionate support to women struggling after an abortion. If you or someone you know has had an abortion and would like to join our recovery program starting in May, we would love to walk alongside you in your journey. Please email AGR@choicesclinic.net for more information. This program is completely confidential.
